This contract is between: (Hereafter “Seller”) and (Hereafter “Buyer:)

--

and is enter on this date:

--

Pertaining to:

Puppy’s name	Birthdate:
Sire:	Dam:

Seller’s Responsibility:

1. The seller guarantees that the puppy is in good health (minus potential intestinal parasites) and has received the following.

- a. Age-appropriate immunization
- b. Deworming
- c. Health certificate (available at the time the Buyer takes possession).

2. The Seller provides warranty against debilitating congenital defects for a period of 1 year after the date of the sale.

- a. Seller guarantees all possible steps have been taken with the sire/ dam and breeding to prevent hereditary issues.
- b. Debilitating congenital defects are defined as those presented at birth that are either life threatening or would prevent the puppy from fulfilling the intended purpose for which it was purchased.
- c. Any suspected debilitating congenital defect must be confirmed by a licensed veterinarian (including necropsy if the dog dies).
 - i. The buyer must supply any requested veterinary records related to the dog's condition to the seller within seven days of diagnosis.
 - ii. Seller has the right to request a second opinion from a veterinarian and/or veterinary specialist of the Seller's choice at the Seller's expense.
 - iii. If the necropsy is performed and results in undetermined or inconclusive diagnosis, warranty is void.
- d. If a congenital defect is identified within the warranty period, the Buyer has the option to obtain a replacement puppy from the Seller of equal or lesser value from the next available litter.
 - i. The original puppy need not be returned, provided there is proper documentation of congenital issues.
 - ii. The breeder determines which puppy (of equal or lesser value) will be used as a replacement and the wait may be as long as 6-12 months.
 - iii. Color and gender are not guaranteed.
 - iv. Traveling expenses will not be refunded, and any costs associated with the travel expenses of the replacement puppy are to be covered by Buyer.
- e. If the puppy is euthanized or in any way disposed of, without a second opinion from the seller's veterinarian, the buyer waives all rights to a replacement puppy.
- f. This warranty does NOT include viral illnesses, infections, improper bites, stress-related illness, hernias, hypoglycemia, parasites (including Giardia or Coccidiosis), cancer or endocrine disorders. It also does not include any illness due to the ingestion of foreign objects, food chemicals, or physical injuries.
- g. No warranties or guarantees, expressed or implied, are made under this contract except as stated.

h. This warranty is non-transferable.

3. It is to be clearly understood that the Seller does NOT, under any circumstances, accept responsibility for any veterinarian and/ or health care expenses.

Buyer's Responsibility:

1. The Buyer agrees to pay the Seller a total sum of \$1,800.00. This fee does not include transportation costs. If the Seller agrees to transport the puppy, the Buyer agrees to pay the Seller the agreed upon transportation fee of \$

2. The Buyer bears all costs relating to the sale of the above animal, including transportation. The risk of loss or injury to the above animal is on the Buyers at all times after the puppy leaves the Seller. 3. The Buyer agrees to have the puppy examined by a veterinarian within **three (3) days** of taking possession. a. If the puppy is found to be in poor health, the Buyer has the option of returning the puppy to the Seller, at the Buyer's expense, for a full refund.

b. The Buyer will provide a written state from a licensed veterinarian clearly stating the defect or illness.

c. If the puppy is not taken to a licensed veterinarian within three business days of taking possession, the health warranty is void.

d. Please ensure that the puppy is kept in a kennel or held in the waiting room of a veterinary office and that the exam room is properly disinfected before the appointment.

4. The Buyer is responsible for all medical expenses associated with the treatment of intestinal parasites if the puppy is diagnosed, even if the puppy has parasites present when sent home.

a. If you are not willing to treat puppy parasites (sometimes more than one treatment is needed), please do not buy a puppy.

b. It is common for puppy parasites to flourish after joining their new family (stress and change accommodate this).

c. Most parasites can be contagious, and it is possible that other dogs in your house can get them.

d. Do not let your other dogs eat the puppy's feces and clean it up immediately using cleaning chemicals.

5. The Buyer agrees to provide the best possible care for their puppy for the duration of his or her life. This includes but is not limited to:

- a. Housing the puppy indoors.
- b. Feeding only premium quality, complete food intended for dogs.
- c. Maintaining their puppy at a healthy weight.
- d. Having their puppy seen by a licensed veterinarian for wellness exams annually.
- e. Taking their puppy to the licensed veterinarian if he or she gets sick or injured.
- f. Keeping all immunizations current according to the guidelines of the American Veterinary Medical Association.
- g. Administering heartworm preventative medication (if living in an area of concern).
- h. Microchipping your puppy.

6. The seller highly recommends the Buyer provide basic obedience training with their puppy within the first year of owning their dog.

7. The Buyer agrees to postponing strenuous, forced exercise until after their puppy is over one (1) year of age to minimize joint damage as puppies develop.

8. The Buyer agrees to contact the Seller immediately if the Buyer determines they are unable to keep their puppy for any reason. The Buyer and Seller will jointly determine how the dog will be rehomed.

9. The Buyer agrees to **NEVER** place their puppy with a rescue group, shelter, pound, or similar facility or research laboratory.

10. The Buyer will allow the Seller to use any pictures of the dog that the Buyer posts on social media for the purpose of reposting and sharing on Facebook, Instagram, the website, Twitter, YouTube, etc. or in any manner the Seller chooses.

Spay and Neuter Contract:

1. Spaying/ Neutering/ gonad paring surgery (GSS) by a licensed, reputable veterinarian is required on the above puppy at **18 months of age for male puppies or for female puppies.**

- a. Proof of this, in the form of a Certificate of Spay/ Neuter from the Veterinarian, must be forwarded to the Seller by the time the puppy reaches 9 months of age.

b. The Buyer agrees **NEVER** to breed or stud puppy/dog for any reason, accidental or on purpose.

c. If the Seller does not receive this documentation within this time, the warranty will become null and void.
