Meet the Owners

Retired US Army Major Charlie Buntin served distinctly with the 1st Infantry, the 101st Airborne Division, and the 1st Calvary Division. During his 18 years of service, Charlie learned the finer points of cigars thanks to his Senior Officers.

Upon retirement, Charlie's wife "requested" that he find a place, other than his porch, to smoke his stogies. Thus began Charlie's quest to find the perfect Cigar Bar - a local, upscale venue that would provide him a place to sit, relax, smoke and escape from the stresses of everyday life. Searching but not finding one, Charlie decided he should endeavor to create the perfect Cigar Bar, right in his own neighborhood.

Kevin & Carrie Elwell, friends of Charlie through the CrossFit community are local business leaders and active community members. Upon hearing of Charlie's vision, they jumped onboard to help bring Apollo Beach a Premier Cigar Experience.

The Buntins & Elwells welcome you to join us for a Smoke on the Boulevard!
