## Meet the Owners

Retired US Army Major Charlie Buntin served honorably with the Tennessee Army National Guard, 101st Air Borne Division (Air Assault), 1st Infantry Division, 1st Engineer Brigade and 1st Cavalry Division. During his time in these distinguished units he deployed 3 times to Iraq. It was on these deployments where he obtained a taste and love for cigars. His senior officer coached, taught, and mentored, him on not only what it is to be a leader, but what it is to enjoy a quality cigar.

Upon retirement Charlie found that he had a passion for cigars and fine bourbon whiskey. Thus began Charlie's quest to find the perfect Cigar Bar - a local, upscale venue that would provide him a place to sit, relax, smoke and escape from the stresses of everyday life. Searching but not finding one, Charlie decided he should endeavor to create the perfect Cigar Bar, right in his own neighborhood. His vision was to create a place where people could come together and build new relationships over cigars & whiskey. It is the goal of Cigars on the Boulevard to share an experience, not just sell you a cigar.

Kevin & Carrie Elwell, friends of Charlie through the CrossFit community are local business leaders and active community members. Upon hearing of Charlie's vision, they jumped onboard to help bring Apollo Beach a Premier Cigar Experience.

*We welcome you to join us for a Smoke on the Boulevard!*
