

## Kamp KACE History

Kamp KACE stands for  
**Kids Against Cancer Everywhere.**

Kamp was founded in 1986. It is located in Central Minnesota and held the last week in June each year.

At this Kamp any child between the ages of 6 and 18 that have been affected by cancer is invited. A child cancer patient and his or her sibling can attend.

Doctors and nurses from Essentia/Dakota Clinic and the Sanford Health/Roger Maris Cancer Center make up a large part of the staff. They are on site and on duty at all times to distribute medications and provide any necessary treatment. Their dedication make it possible for school-aged children in all stages of cancer treatment to attend Kamp.

Excitement, fun, and adventure are planned for campers. They have the opportunity to take part in recreational activities such as swimming, canoeing, crafts, games, pottery, candlemaking, drawing, beading, camping and more. A fishing excursion is also planned, with a fish fry to follow the next night for everyone. Music, skits, parties and traditional evening campfires add to the fun.

**Kamp KACE** stands for **Kids Against Cancer Everywhere** and is a nurturing place for campers to come together as equals to share the bond of their similar experience with cancer.

**Kamp KACE** each year has a theme, so the Kampers have a week filled with many activities. A week of Kamp costs \$ 800.00 per camper and is funded 100% by donations. Each year approximately 100 kids ranging in age from 6 to 18 attend kamp free. This is all possible do to donations from Foundations, Corporations and Individuals pay for the fees for kamp.

The Lions have been involved with **Kamp KACE** since 1988! Plus **Kamp KACE** has become one of the major projects for the Lions of District 5M9. Many Lions Clubs in 5M9 help to make **Kamp KACE** a success each year.

Kampers arrive on Sunday and are assigned to their cabins and get to meet the other Kampers, the Counselors and the Counselors in Training.

**Kamp KACE** has help from the Lions of 5M9 each year from Sunday to Thursday with many activities. These are all possible through the donations of the Lions of 5M9.
