

MN Lions Childhood Cancer Foundation

One of the most meaningful ways we can serve is by stepping in when a family in our community is facing childhood cancer.

The **Minnesota Lions Childhood Cancer Foundation (MLCCF)** Matching Funds Program was created to help your club make an even greater impact.

👉 How the Matching Program Works

If your Lions Club raises funds to support a local child battling cancer, **MLCCF will match your donation dollar-for-dollar up to \$500.**

- If your club donates \$200 → MLCCF matches \$200
- If your club donates \$500 → MLCCF matches \$500
- If your club donates \$1,000 → MLCCF matches \$500

It's simple, powerful, and immediate support for families who need it most.

Since April 1, 2022, the Foundation has matched club donations, contributing **over \$39,000 directly to families in need.**

We would like to do more.

(Actually, we'd prefer to do none — because that would mean no children are suffering from cancer.)

Until there is a cure, we will continue to raise funds to help those in need and use research to fight the battle against childhood cancer.

📌 Interested in Participating?

If your club is currently supporting a family — or becomes aware of a need — please contact your MLCCF Trustee for application details.

Together, MD5M Lions can ensure no family fights alone.

Thank you for your continued compassion and commitment to serving children and families across Minnesota.
