

MN LIONS CHILDHOOD CANCER FOUNDATION MATCH PROGRAM

**Lions Clubs helping Minnesota
families when they need it most.**

The MN Lions Childhood Cancer Foundation partners directly with Minnesota Lions Clubs that provide financial assistance to families of children battling cancer. The Foundation matches eligible club contributions up to \$500, allowing local Lions Clubs to extend their reach and provide even greater assistance when families need it most. This partnership creates a powerful multiplier effect, turning the generosity of one Lions Club into an even greater impact for a Minnesota family where every dollar given reaches farther, helps more people, and changes more lives.

TOGETHER WE MAKE A GREATER IMPACT

**When we give together,
we help families thrive.**
