Deposit / Retainer of \$ 500.00 will go towards the purchase price of the puppy and will be deducted from the total of purchase price. As well as other payments made towards the purchase price before the Puppy is 8 weeks old. **Deposit / Retainer received through \_\_\_\_\_ on:**

*If a Deposit is taken before puppies are born and at birth neither color, nor sex are available in that litter Buyer was applying for, there will be 3 possibilities: Buyer may choose an other available puppy from that litter, report to a different litter or get his deposit refunded and the agreement is cancelled. If the wished color and / or sex of puppy is born in this litter the term Deposit changes into Retainer and is not anymore refundable, unless illness, or death of puppy of course. Seller reserves the right to refuse the Sale of a puppy for any reason in dissolving this Agreement and reimbursing any money already paid by potential buyer in full.*

The purchase price may differ from Puppy to Puppy of the same litter due size, color, sex and eye color of each Puppy (after 10-15 days after birth the Puppies open their eyes but the definite eye color is not that early to determine in merles). Seller cannot guarantee blue eyes at this age.

This written Agreement contains all terms of this Retainer.

*No refunds will be given, all Retainers are non-refundable, unless otherwise agreed here and in writing.*

With Retainer paid Seller will take Puppy off the available puppies advertising and guarantee to hold it until an agreed pick-up date after 8 weeks of age.

Failure of the Buyer to complete this purchase would subject Seller to lost opportunities to sell Puppy to some other Buyer and retention of the Retainer is meant to compensate Seller for this possible loss. This deposit signifies the intent on the part of the Buyer to follow through with the Purchase of this Puppy.

The Seller reserves the right to void this transaction and refund the Retainer for any reasons.

Preferred method of payment is cash or money transfer via Good Dog Breeder :
