WELCOME

We've made it!

On behalf of the organising team and exhibitors, I'd like to welcome you to **Classics at Glemham 2020**.

With the strange year that we've had, getting here hasn't been easy but now the day has arrived, please enjoy the beautiful surroundings and the fabulous displays.

In this guide you can read about the vehicles on display, the clubs that have taken stands, the trade exhibitors and other supporters that have made the event possible.

I'd like to extend my thanks to all those who helped organise the event, the exhibitors without whom we would not have a show, our generous sponsors, and of course our hosts at Glemham Hall.

Have a safe and enjoyable day.
