Set up begins at 12 pm on Friday the 14th and Trade Show opens at 4 pm on Friday.

Booths cannot be removed before 4:15 P.M. on Saturday, January 15, 2022.

We will be setting up on a first come basis. If you have a preference of who you would like or not like to be near, please designate it on this form.

Once again, we will be having our Maple Auction to help raise some funds for our association and maple research. **We will be having a silent and online auction again this year.** Please give some thought to helping us promote our great Wisconsin commodity, Maple Syrup. We are asking for donation from each vendor to participate in this worthwhile auction.

We are again asking for some help with the costs of the snacks and treats like morning registration doughnuts and coffee, afternoon snack and desert for lunch, if you have interest in sponsoring one of these items, please contact Theresa. If interested in doing this, your name/business will be duly noted and mentioned as the sponsor.

Thank you very much, in advance, for your generous participation! Without all of you and your participation, this would not be the Winter Institute that our maple producing friends and neighbors are able to attend in Wisconsin each January.
