On October 26 – 29, 2022, Wisconsin has the privilege of putting its Maple excellence on center stage as the Wisconsin Maple Syrup Producers Association invites maple professionals from all across North America and beyond to the La Crosse Center on the banks of the beautiful Mississippi River for the International Maple Conference. This celebration of maple will include NAMSC, U.S Maple Alliance, and Maple Specialist meetings. It will also include a trade show of key products, equipment, and services for all maple syrup producers and professionals to view. Technical sessions highlighting the latest research initiatives and programs funded by the NAMSC and other groups of interest. On Friday October 28, there will be a group of bus tours offering participants the opportunity to visit some of the most innovative, creative maple, and agricultural venues in Wisconsin.

Throughout the event we will be showcasing the best of Wisconsin and in no place is this more evident than our “Taste of Wisconsin” dinner at the La Crosse Center, overlooking the Mississippi River. Our goal is to offer all who attend a flavorful representation of all Wisconsin has to offer from maple, meats, produce, and cheese, to our craft beer and wines. We will continue the Wisconsin Cuisine with a Tailgating party WI style on Friday night in our Trade show vendor area.

These annual business meetings are an important part of our industry. Wisconsin is honored to be the host in 2022. In order to showcase Wisconsin properly, we are seeking your support. Listed below you will find varying levels of sponsorship that can highlight businesses from around Wisconsin. A member of our planning committee will be contacting you to discuss these opportunities further.

Many attendees still speak fondly of the maple conference held in Packer Country, Green Bay, Wi in 2006. Please join us and help us make the 2022 conference just as memorable.

Thank you for your support,

Theresa Baroun

2022 International Maple Conference Trade Show Information

For many attendees, the trade show is the highlight of the annual Maple Syrup International Conference. It has been over 16 years since the entire maple industry has been on display in Wisconsin! This will be a tremendous opportunity for suppliers and service providers in the maple industry to put their featured products on display.

The La Crosse Center will host the trade show and all meetings all together in the same area. The Vendor area is in the middle level of the La Crosse Center with street access, loading docks, large overhead doors, forklifts, and floor carts for unloading. Unloading will be undercover and there will be some space to pull right in side to unload. The trade show and conference are not on ground floor but a large service elevator is there for vendors to use. The freight elevator dimensions are 9’ wide by 8’ high by 12’ deep. The Doorway to the vendor trade show is 5’ wide by 7’8” high. The vendor area is within 50 feet of the rooms where the technical sessions will be held. There is ample free parking next to the La Crosse Center and at the Radisson for Registered guest. We are planning for 250 – 350 people from the maple industry. Along with a one-day registration for those not attending the convention.

The convention format will encourage convention attendees to mix and mingle with the trade show exhibits. All breaks will be held in the trade show exhibit hall. We intend for this event to be exhibitor friendly in all respects.

Exhibit booths are available in single (10’ x10’) and double (20’ x10’)

- Single Booth package: 1-8’ Skirted Table, 2 Chairs, Pipe and Drape
- Double Booth package: 2-8’ Skirted Tables, 4 Chairs, Pipe and Drape

**WMSPA POLICY 1-11**

Public Participation at Meetings Policy 1-11 Members in good standing of the Wisconsin Maple Syrup Producers Association (WMSPA) are welcome to appear at all meetings and voice their concerns. At the same time, members should bear in mind that even though these meetings are open to the membership/public, they are not public meetings. Hence, it is necessary to maintain order at these regular meetings. Any member wishing to address the Executive Board (Board) at any meeting should contact the President or Executive Director ten (10) business days prior to the meeting so the subject he/she wishes to be discussed may be placed on agenda. Updated agenda will then be posted on the WMSPA website at least 24 hours prior to the start of the meeting (www.wismaple.org). There will also be a time set aside at the meeting for members and delegations where one can generally address the Board. Voting on an issue that was not on the agenda 10 days prior to the meeting will be at the discretion of the Executive Committee and Board of Directors. The presiding officer will regulate the time and length of such discussions. Members who attend regular meetings or committee meetings shall conduct themselves in a manner, which will ensure a safe, orderly and efficient meeting. Shouting, audible comments or other disruptive noise or movements at times other than the designated time for that person to speak will not be tolerated. Any person who attempts to disrupt the proceeding in a manner contrary to what has been stated will be asked by the presiding officer to cease and desist from such conduct. If the person refuses to cease and desist or repeats such conduct, that person will be asked to leave the meeting room. If such person refuses, the meeting will adjourn until such time law enforcement authorities may be called and come assist in the removal of that person. In that case the Association could pursue disorderly conduct or other appropriate charges against the person.

All vendors will be required to provide proof of liability insurance. All participating in WMSPA events are required to act appropriately, courteous to other participants, and follow all WMSPA policies. WMSPA will also remain politically neutral, no political soliciting allowed at any WMSPA affiliated event. WMSPA policies can be obtained at [https://wismaple.org/policies](https://wismaple.org/policies).

By purchasing a booth or ad space and signing the agreement you are agreeing to follow all WMSPA policies and guidelines.
