Producer Membership Form

www.wismaple.org

The Wisconsin Maple Syrup Producer's Association is dedicated to Improving the Ability of its Members to Produce and Market the Finest Maple Syrup in North America!

Revised Date: 10-27-25

Membership Benefits

- Subscription to the international maple publication: The Maple Digest
- Subscription to our Association's newsletter: Wisconsin Maple News
- Opportunity to purchase many printed materials, such as labels, signs and other maple promotional items, at discounted prices
- Optional participation in various information exchanges, including: Tour groups and USDA Crop Reporting Surveys
- Opportunity to sell syrup through the Association at the Wisconsin State Fair and have your Sugarbush listed in our special state fair handout for direct sales opportunities.
- Opportunity to attend any WMSPA sponsored workshops such as the Winter Maple Institutes at a discount.
- Have your voice heard at various state agencies, including the Wisconsin Department of Agriculture, Trade, and Consumer Protection.
- Direct representation to the North American Syrup Council (NAMSC), as well as the International Maple Sugar Institutes (IMSI), which deals with quality control, product research and development, and government regulations.
- Invitation to Annual and Semi-annual meetings, where policy is discussed and set, for the good of the WMSPA.

WMSPA Promoting Wisconsin Maple Producers

The goal of Wisconsin Maple Syrup Producers Association is to help our members make and market the finest pure maple syrup in North America. We attempt to accomplish this through a number of means beginning with our annual Winter Institute held each January. In addition to the institute we actively work to promote maple and help educate our producers in many ways:

- We work with our state agencies to promote legislation that recognizes our hard working producers.
- We organize and promote a First Tapping event to bring attention to the maple season.
- Our members work with local festivals to provide visibility to our industry.
- We provide a booth at the Wisconsin State Fair which allows our members to promote and sell Wisconsin's finest maple syrup.
- Our association hosts a Fall tour event to allow our members to visit other maple producers and local businesses around the state.
- Our association works with National and International Maple organizations including NAMSC and IMSI to promote and support maple production, education, and research.
- We provide a web site and map to promote our producers and provide a means to keep everyone informed of current activities and events.
