## Events Calendar 2019-20

19 Carter Street, Berlin MA 01503

## *19 Carter is creating conditions for connecting.*

It's a space for people from all walks of life and all zip codes to connect through common interests and through programs and events; a place where generations can comfortably and informally interact;

a place where artists and

musicians can showcase their talent - all within a beautiful, historic and thriving community space. We opened our doors to the public in October 2017 and have since enjoyed hundreds of events and gatherings.

For a full list of events and activities, please go to **19Carter.org** or email us at **info@19Carter.org**. Event ticket prices are kept intentionally low in order to serve the entire community. We gratefully accept additional donations to support this lively, accessible, volunteer-run gathering space.

*Thank you!*
