The image is a promotional graphic for Naadbramha Music Academy. It features a man, Nilesch Mhatre, in a dark blue shirt and a patterned tie, holding a large, polished wooden instrument, possibly a harmonium or a large string instrument. He is looking upwards and to the right. In the background, three framed certificates are displayed on a wall. The top right corner features the Naadbramha Music Academy logo, which includes a stylized musical note and the text 'Since 2014' and 'Your Music Journey'. Below the certificates, the name 'Nilesch Mhatre' is written in a large, bold font, followed by 'BE - Mechanical, Mumbai University'. At the bottom, a list of achievements is provided.

Swar Sangat Digital Tanpura

SUPER FEATURES

Super stable accurate digital tuned pitched.
Full flexibility for Nishad as well as Madhyam tuning with manual adjustment.
Easy direct Pitch (Sur) Read out on display
Delivers real unmatched Tanpura sound using latest cutting edge technologies.
Excellent tone features for selection of Male/ Female type of Tanpura tone
Extremely compact in size and light weight.
Custom designed speakers for exceptional tonal quality
Used as reference Tanpura by many Indian classical music professionals
In-built chargeable pencil cell operation
Batteries in charging mode even when the instrument is ON
12 V DC operation for better sound quality and longer battery life

Swar Sangat is a Digital Tanpura unit with super stable and accurate pitch.
The basic pitch is directly indicated on the front mounted display for easy reference and it's range is over 1 octave. A very precise option for fine tuning is also provided.
Pancham, Madhyam, and Nishad can be selected as desired. Madhyam and Nishad can be separately fine tuned if desired.

The Swar Sangat stores all these settings in it's memory on switch OFF and restores them on switch ON.

The Swar Sangat has a very pleasing sound as different Swar blend seamlessly with each other without disturbing the performer.

Electronic Tabla Machine (MRP: Rs. 6400)
