

METHODOLOGY

Our Process

We believe in three things Strong Prep, Continuous Practice and Timely Guidance will help you succeed

1

Take Demo and Enroll at Think4SAT

We'll create an execution plan which maximizes all the opportunities we see for growth and specific KPIs.

2

Dedicated Classroom Preparation

We'll get you as many quick and early wins as possible, while setting up specific, long-term, scalable digital marketing goals.

3

Weekend Test Series under vigilance

We'll roll out our full execution plan, focusing on timely, tactical implementation, and setting up scalable growth opportunities.

4

Guidance through IVY School Mentors

Our online marketing team continually monitors your results at every step of the process, then leverages that to get you even more wins.
