ABOUT US

Our establishment dates back to 1981, as a private firm, an ISO 9001:2008 certified company. We have developed ourselves as a reputed manufacturer by contriving various rating of Transformers. Today, at the work place the abundance of information, the facility of powerful computation of latest technology, has made us more impressive as professionals to ensure a quality product.

TARIL is a leading Distribution Transformer and package / unitized sub-station manufacturer catering to various customer needs in the fields of refinery, oil & gas, paper, ceramic, fertilizer, steel, pharmaceutical, textile, cement, chemical, construction and so on.

Our standard and proven design methodologies, supported by extensive type testing have ensured excellent product performance time and again. Our superior product performance has fetched us repeat orders from our reputed customers.

For several decades we have been manufacturing wide range of Distribution Transformer above 250 kVA upto 72.5 kV.

Our Specialties

- 1) Wide range of ratings starting from 315 KVA to 12500 KVA, upto 72.5 KV
- 2) Green Ester / Synthetic Ester Oil Filled Transformers
- 3) Conventional Mineral Oil Filled Transformers as per IS 335
- 4) BIS accreditation to supply IS 1180 energy efficient transformers as per energy efficiency level 1 / 2 / 3 / 4 / 5 or as per star ratings
- 5) Specially dimensioned and designed transformers for package / unitized substations up to 2500 KVA / exports
- 6) Transformers with foil winding
- 7) State of art R & D facilities for continuous quality and product improvements
- 8) Prompt after sales and service network
- 9) In-house facilities for all types of routine, type and special tests except thermal and dynamic short circuit test

DISTRIBUTION RANGE PRODUCT PORTFOLIO

- Distribution Transformers
- Converter Transformers
- Inverter Duty Transformers
- Furnace Transformers
- Earthing Transformers
- Mobile Sub-Station Transformers
- Compact Sub-Station Transformers
- Station Auxiliary Transformers
- Hermetically Sealed Transformers
- Corrugated Fins Transformers
- Pad Mounted Transformers
- Special Purpose Transformers
