ANDREW LLOYD WEBBER (Author)

Andrew Lloyd Webber has composed the scores of some of the world's most famous musicals. From *Joseph and the Amazing Technicolor Dreamcoat* (1969) to *Cinderella* (2021), his work has been consistently seen on world stages. Before the COVID pandemic hit, Lloyd Webber had shows continually running in the West End for 48 years and on Broadway for 41. When *Sunset Boulevard* joined *School Of Rock*, *CATS* and *The Phantom Of the Opera*, he equaled Rodgers & Hammerstein's record of four shows running simultaneously on Broadway. He is one of the select group of artists with EGOT status, having received Emmy, Grammy, Oscar and Tony Awards.

Lloyd Webber owns seven London theatres, including the iconic London Palladium and Theatre Royal, Drury Lane. Over the past three years the latter has been completely restored and renovated at a cost of over £60 million. It is one of the biggest projects ever undertaken by a private theatre owner in recent times. His mantra that every penny of profit made from his theatres is ploughed back into the buildings has meant that considerable work has been undertaken across his theatre portfolio during the pandemic, including the complete remodeling and reseating of the Gillian Lynne.

Lloyd Webber is passionate about the importance of musical education and diversity in the arts. The Andrew Lloyd Webber Foundation provides 30 performing arts scholarships every year for talented students with financial need and supports a range of projects such as the Music In Secondary School Trust and commissioning research into diversity in theatre.

Andrew Lloyd Webber was knighted in 1992 and created an honorary life peer in 1997. To mark his 70th birthday, his bestselling autobiography *Unmasked* was published by Harper Collins in March 2018.

GRETCHEN MORALES (Prop Designer)

What a joy it is to return to BPYT! My son participated in BPYT 20 years ago and it is where my friend, Melanie Cavaness and I began our prop design career. I also made and continue to enjoy lifelong friendships with some of the parents who have participated in this program...one of whom is our fearless leader, Karen Labok. Learning the prop design business by trial and error and asking a lot of questions, I went on to design professionally for Musical Theatre West, 3D Theatricals, McCoy Rigby Entertainment and taught prop design at Cypress Community College. Recently we finished designing the props for *Jersey Boys* and *42nd Street*. Other favorite projects include *The Andrews Brothers*, *The Secret Garden* and *Once on This Island*. You never know where life will take you and I am forever grateful to BPYT!

MELANIE CAVANESS (Prop Designer)

What? It's been 26 years since I did my first propping here at BPYT! I got involved here because of my daughter Kayla. I learned a lot during that time and have gone on to do this professionally in musical theatre. Just recently, along with my friend and prop partner in crime, Gretchen Morales, was privileged to prop and set dress the 50th Anniversary Festival for Little House on the Prairie. Forever friends were made here; I've come back to support one of those friends, Karen Labok! Let's rock!!
