About Us

Superior Quality * Individually Handcrafted * Competitive Pricing

Williamsburg Woodcraft, Inc. is an architectural millwork manufacturer committed to excellence of quality and service. We blend a combination of old world craftsmanship and the latest in modern technology to provide quality millwork at competitive prices. Each product is individually handcrafted of superior quality materials by a skilled craftsman who takes pride in his work, to create a piece that reflects the beauty of the wood and the craft for a lifetime.

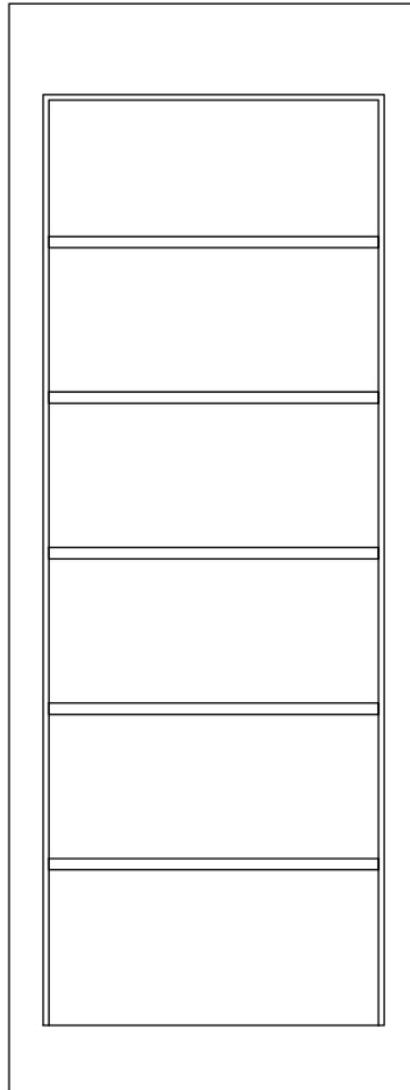

Williamsburg Woodcraft, Inc. produces many interior and exterior finishes including a variety of specialty windows, door entrance features, mantels, bookcases, wainscoting, arched cased openings and a full line of interior and exterior mouldings. The designs featured in this web site represent some standard millwork products; however, we are equipped to produce an unlimited variety of specialty items.

Because we are a SPECIALTY architectural millwork manufacturer who offers the advice and attention of a professional designer, we are able to offer our customers the opportunity to vary the size, design or material of any of our products or to choose a design from a photograph or magazine picture. Our capacity is limited only by the creativity and imagination of our customers. Contact us today and let us help make your dreamhouse a reality!
