Good afternoon Town and Village Courts. The Office of Court Administration is consolidating all essential operations beginning March 16, 2020 at 5 pm **including all Town/Village Court matters**. We have attached a memo from Judge Marks as well the list of central locations statewide. Each county will have one building for essential operations only. For Town/Village Courts, this means **any cases scheduled to be heard in your court after 5:00 p.m. on Monday, March 16th MUST be adjourned out AT LEAST 45 days, until April 30 or after. You absolutely CANNOT address any matters in your court at this time.** Any essential/emergency matters will be handled at a central location in your county. All essential/emergency matters must be approved by OCA prior to being handled in the central location. If you believe you have essential/emergency matters, please contact Shannon Pero. In counties with a CAP, the CAP will continue normal operation.

We will continue to provide you with information as it becomes available.

As always if you have any questions, please contact Shannon or Amy.
