

ARE YOU AUDIT READY?

Protecting Your Dental Practice

Insurance audits are becoming more common across Canada, putting dental practices under increased scrutiny. From costly repayments to the risk of delisting, the consequences can have a significant impact on your practice. Learn how to identify potential vulnerabilities, understand your practice's risk, and take proactive steps to protect what you've built.

**1 CE HOUR
AVAILABLE**

Join Dr. Bernie Dolansky for this 1-hour webinar as he breaks down this growing risk, what it means for your practice and how to protect your practice now and in the future.
