NOBLE EL FAMILY TRUST[™]

Notice of Liability

Allodial Fee Schedule and Remedy

**Lawful Legal Notice for Personal Protection From
Federal/State/County/City/Municipal/Corporation Employees/Agents/Individuals**

Notice to the principal is notice to the agent.

Notice to the agent is notice to the principal.

Notice to Individual, Natural Living Soul is Notice to All Human Beings.

Notice to All Human Beings is Notice to Individual, Natural Living Soul.

**“Ignorance of the law does not excuse misconduct in anyone,
least of all in a sworn officer of the law.”**

- In re McCowan (1917), 177 C. 93, 170

Silence is Acquiescence, Agreement, and Dishonor.

This is a Self-Executing Contract.

Public Law § 97-280 acknowledges the Holy Bible as the Word of the Almighty Creator.

Book of Daniel, Chapter 4, Verse 17:

*“This matter is by the decree of the watchers and the demand by the
word of the Holy ones: to the intent that the living may know that the
most High ruleth in the kingdom of (hu)men and giveth it to whomsoever
the most High will and setteth up over it the basest of (hu)men.”*

I, Chief Minister Phoenix Wadi Rapha Asegi Noble El, as a natural living soul, am hereby, as a gesture of peace, giving proper notice to the STATE OF COLORADO corporation and to the UNITED STATES corporation and to all municipal, county, and city corporations, and all other STATE CORPORATIONS, agents, employees, and all other individuals of the following:

As a peaceful, Muur/Moor, natural flesh and blood Being, desiring to avoid conflict and to live lawfully with all of my freedoms, I am providing you with this **Notice of Liability Allodial Fee Schedule and Remedy for Personal Protection from Federal/State/County/City/Municipal/Corporation Employees/Agents/Individuals** as a courtesy to you and as a remedy should you decide to trespass upon me or other members of my Family. Failure to know or disobey any of your thousands of corporate regulations, statutes, or codes does not constitute a crime absent of a VICTIM or DAMAGED PROPERTY or FRAUD - no corpus delicti.

“In every prosecution for crime it is necessary to establish the ‘corpus delicti’, i.e., the body or elements of the crime.” - *People v. Lopez*

“The corpus delicti consists of two elements, namely, 1) the injury of loss or harm; and 2) a criminal agency causing them to exist.” - *People v. Frey*

Please note that this self-defense **Notice of Fee Schedule and Remedy for personal protection from Federal/State/County/City/Municipal/Corporation Employees/Agents/Individuals** is just per *Trezevant v. City Tampa*, 741 F.2d 336 (11th Cir. 1984) Motorist was illegally held for 23 minutes on a traffic charge and was awarded \$25,000 in damages. This sets the foundation for \$1,086.00 per minute or \$1,800,000.00 per day (multiplied by current inflation from 1984 to current year). When an individual is detained without a signed lawful 4th amendment warrant and without having committed a crime (traffic infractions are NOT crimes), the detention is a false arrest and unlawful imprisonment.

WHEREAS this is a formal and lawful Notice of Fee Schedule and Remedy that is established for I, Chief Minister Phoenix Wadi Rapha Asegi Noble El, and my offspring and tribe, to include the lawful and unlawful matters relating to the Office of the Executor, Authorized Representative, Beneficiary.

Neither I, Affiant, nor my offspring is of the UNITED STATES.
We are of the Most High, the Almighty Creator.

Let it be clear that a People is not a person, and a person is not a People. True sovereignty is within the People who have all private rights; but citizens, on the other hand, are subjects (by their own voluntary choice) of the state, local, and federal government corporations in exchange for privileges and civil rights. Let it be clear that I (and my offspring) am not a person/citizen/employee/subject of any corporation which cannot, under color of law, act as lawful government. Let it be clear that we have only one Sovereignty, and that Sovereignty is the Almighty Creator.

Written permission is required for the express use of the LEGAL NAME (NOM DE GUERRE) PRIVATE, (or any other versions), and I do not authorize its use by you or your agents or third parties.
