

SGA Golf Club

Winter Series 2025-26

The Winter Series competitions are non-qualifying for handicap purposes.

All Winter Series Competitions will be played over the par 3 course (as per yellow signage). The par 3 scorecard must be used.

Remember if you are playing the competition as part of a social 18 holes you must play your 9 hole competition round first.

Preferred Lies (Lift, clean & place) may be taken from all fairways. Please note that most fairways have a 2 mower width '1st cut' around them which is not eligible for preferred lies.

All Bunkers will be GUR for the Winter Series. If you go in a bunker you should lift your ball and go back in line with the bunker and the flag to drop. If your drop is on a fairway you may then take a preferred lie.
