**HOLLYWOOD GARDEN CLUB MEETINGS**  
**3<sup>RD</sup> TUESDAY of the MONTH**  
Fred Lippman Multi-Purpose Center  
6:30 p.m. to 9:00 p.m. -- 2030 Polk Street, Hollywood, FL 33023

It's time to set our date for the field trip to SUNSHINE BROMELIADS  
They give instant color and stay that way for the life of the plant.

**Put it in a tree, set it,  
and forget it.**

We of course are referring to Tillandsia, commonly known as Air Plants. They require no care. They are the perfect plant for South Florida.

***Happy Birthday  
Suzanne Hazelroth and  
Maria Jackson***

Along the way we form lifelong friendships with those who work by our sides promoting the understanding, enjoyment, and appreciation of gardening and the environment.

**Celebrate Summer!** Nothing adds life and vibrancy to our gardens like adding colors that pop. Let's celebrate the upcoming holidays of summer, both Memorial Day and the Fourth of July, by adding red flowering plants to our gardens. The possibilities are endless and so are the many shades of red flowering plants available at our local nurseries.

Red Chenille

Red Pentas

Red Croton

Red Hibiscus

Red Caladiums

Red New Zealand Impatiens

Red Begonia

Red flowers are a symbol for passion. They are stimulating and eye catching. They create movement and drama and symbolize cheerfulness and happiness. Red is an undeniable symbol of love and romance, primarily because the color red is associated with the heart. It also represents strength, courage, seduction, and desire.
