MEMBERSHIP RECRUITMENT

In order for the Club to remain viable, it is essential that we try to attract new members to offset the loss of members we encounter each year for various reasons. We need your help, not only to sustain the membership, but hopefully to make it grow. Please make every effort to approach people you know and make them aware of what the club has to offer and encourage last year's new members to return.

For each new member you bring into the club, you will receive a 10% discount from your membership fee. For example, if you bring in three new members, you will receive a 30% discount on your fees.

GIFT CERTIFICATES

Purchase one for your favorite curler! Available in any amount. The certificate's value will be applied toward the recipient's membership dues. Available on registration nights, or contact any Board member.
