

Border League

Border League celebrated another successful year with the closing banquet April 3rd at SCC.

The Andy Morris rink from Amherst, with Darren McIver, Dennis Beardsley, and Corey Burbine, was the big winner, capturing both the regular season and also the A Division playoffs.

SCC's Keith Brownell, with Lovitt Allen, Barry Dean, Andrew Goodwin and Mark Allen won "B" Division over Sue Seaborn, Gord Gray, Joan Butcher, and skip Dave Weeks. Also on Sue's team are Vince Estabrooks and Gerry Bartlett.

The Desi Hurley Award, chosen by the Border League players, was presented to Lisa Gilbert, Amherst co-chair for Border League and a former teammate of Desi's. The award is given to an individual who displays sportsmanship and commitment to the development of the league.

The league would not function without the enthusiasm of the players and the efforts of many individuals - thanks to Myles, Gerry, Ken and others who worked on the ice, George and Buddy for help with set-up, Greg Estabrooks, Anna Acton, Carrie (our bartender extraordinaire), Lloyd Varner, and the SCC Board for continued support.
