### 2020 Rental Report

#### Rentals Revenue

2017	\$15,772
2018	\$17,632
2019	\$23,657
2020	\$16,284
2021	\$10,394
2022	\$13,000 budgeted

Nearly all rental revenue in 2020 originated with the core of regular renters of the Banquet Hall and the barber. COVID-19 restrictions affected the regular rental groups with a number of cancelled sessions throughout the fall and winter. Two regular groups decided to cancel all their classes. A number of ice rentals were also cancelled due to the changing regulations.

The outlook for 2021 summer rental revenue is uncertain due to ongoing COVID-19 restrictions and has been reflected in the 2022 Budget. To date, only two of the regular renters have posted summer schedules.

The office space continues to be available to rent. A review by a local architect identified building and fire code issues that may limit renovations or future occupancies of the current space.
