### SCC 125th Anniversary Celebration Committee Report

Our 125th Anniversary Year Celebration was scheduled for this past season and events were postponed due to the Public Health Mandatory Orders affecting large gatherings during the pandemic.

The SCC125 logo and Town of Sackville logo ice decals were installed by Myles in Oct 2020. The combined cost of the design of the logo and manufacturing of decals was \$1000.00. The Town of Sackville awarded us with a grant for \$1000.00 to cover 50% of the projected expenses for the SCC 125 celebration. The board of directors has set aside \$1000.00 for the other 50% of expenses.

Al Smith published "Sackville's Roarin' Game- A 125 Year History of the Sackville Curling Club" this fall. A drive-by book sale took place November 1, 2020 at Boultonhouse Heritage Centre.

Our current plan is to celebrate our 125th anniversary during the 2021/22 season depending on the state of the pandemic.

We are looking for volunteers, particularly for specific events. You can find the committee lists and draft calendar of events here: <https://sackvillecurlingclub.com/scc-125>
