Welcome back to the 2019-2020 curling season!!

I hope that each of you have had a good summer and are ready to get back to the ice. It is hard to believe but the curling season will start in just a few weeks. Myles, our ice maker, will be turning on the ice plant soon and will begin to put the ice in for another exciting curling season.

We have an exciting, fun filled season of curling and social events planned for you during the 2019-2020 season. Our first event planned, depending on ice availability, is our Welcome Back Funspiel and BBQ, scheduled for Saturday **November 9th**. Keep checking your email or check our website at www.sackvillecurlingclub.ca for sign up information. If at all possible, we hope to see as many of our club members present for the Club's first event. We will coordinate the event so that all participants get at least 4 ends of curling, as well as a social time in the lounge throughout the day's event. This will be followed by a BBQ, served up by the Board of Directors and volunteers.

Our next event at the Club will be the Christmas Craft Show on Friday November 1st and Saturday November 2nd. This is always a great fundraiser for the Club, so we urge everyone to attend. There will also be sandwiches, soup and desserts available to purchase while you are shopping.

We have a busy schedule of curling planned for this season, with lots of events designed to get you out and to enjoy our club. **We have a number of league changes with regards to dates and times so check the website for further details.**

The SCC is also hosting a 6-week Learn to Curl program, beginning November 10th. If there is enough interest, we will be holding a "**Rookie League**" after the Christmas break, where members will be given the opportunity to try different positions.

It was a long road to get the Rock Replacement program up and running, but with lots of determination and dedication from our club members, we have new rocks on order and they will be ready to use sometime in the new year.

At this time, I would like to take this opportunity, on behalf of our Board members, to wish everyone a fun filled season of curling.
