

2019 Rental Report

April 20, 2019

Welcome Everyone,

I reviewed the financial report for 2019 for rental information. Starting May 1, 2018 to March 31, 2019, rental revenues were \$20,800.00. April rental revenues should bring this total to \$25,000.00. (approx.)

Rentals were strong all year with the Banquet Hall being booked every night as well as Saturdays & Sundays. We had a long term rental stop for the summer but another rental took its place. The new renter may do rentals through the summer and may start renting twice a week.

There were times when I had to turn rentals away as no time slots available.

The Barbershop and Department of Agriculture and Fisheries still occupy office space. There is a spare office that was cleaned out and plans are to advertise this office for rent.

Thank You,

SCC Rental Director
Gregory B. Estabrooks
