

Hello to our Summer Term Preschool Students and ALL Piano Students!

We hope everyone had a great holiday week last week! And, we look forward to starting up this week with you - everyone is back in action starting today! Mrs. Dreith, Mrs. Dunahugh and Mrs. Rivers have really been working hard to make all of your classes enjoyable, rewarding, music-filled and exciting! We hope you have been having a blast!

Here are few calendar reminders and updates as well. And, remember, there is a calendar on the website for quick reference. <https://baldwinmusiceducationcenter.com/current-calendar>

Preschool Students - this is for every student in the Musical Beginnings, 2's, 3's and 4's classes. All Preschool classes meet from now until August 18.

Musical Beginnings students (especially): Please try not to miss class. Remember you can come MN 9:30, WD 11:30, TH 9:30, FR 9:30, FR 12:00 and ST 9! if you have missed more than 3 classes - please contact me - we want you to come to class because these youngest music makers need the consistent attendance to make the most of their experience! Imagine what might happen if they came 6 times during the week! Also, I know there has been a request or two for the "words" to the songs, lullabies, wiggles, tickles, bounces, etc. We have posted the words in the past on the website and not one person downloaded them. It is a bit of extra work for the teachers to do that - but we are considering trying again!

All Preschool Students: The Fall Term begins September 10. In early August you will receive your postcard on which you will indicate any changes and updates to your current class schedule. Your teachers will be making the announcements from now on in class and reminding you. The website is ready and here is the link to also make changes if you want to get it taken care of now. <https://form.jotform.com/81843159784166>.

If there are any changes to your schedule - the postcard will need to be filled out and returned to your teacher by August 18. If we do not receive your card and/or written notification of any changes by September 1, you will be auto-enrolled into the Fall Term in the same class.

Attendance for everyone - all students - is important - not just the babies! You are coming to class - not "practice" - there is a difference and we love it when you are all there and you love it when you are there! :)

Rachel.
