WORK EXPERIENCE

Robin AI, London

Jan 2024 - Dec 2025

Legal Specialist

- Promoted within eight months, ahead of my cohort; selected for a 3-month APAC secondment ahead of the Singapore office launch to manage clientele in Singapore.
- Manage and review a wide range of commercial contracts (NDAs, NRLs, ELs, MSAs, SoWs, Service & Consultancy Agreements).
- Led legal engineering projects to streamline contract reviews, including testing document-memory tools, building data-extraction prompts and generating AI-supported contract edits.
- Designated as legal lead for a key client account, overseeing communications and playbook development.
- Supported multiple additional client accounts, including participation in client and trial calls.
- Trained junior colleagues in London and South Africa on contract review and legal engineering best practices.

EuroAlloys Ltd., Cardiff

Sep 2022 - Dec 2023

Graduate Trainee

- Managed physical operations and the company's supply-demand chain.
- Conducted due diligence and credit checks on counterparties.
- Performed credit insurance checks to support commercial decision-making.
- Managed treasury activities and financing requirements for the company.

Quasar Legal, Bangalore

Aug 2020 - Sep 2021

Legal Associate

- Advised startups, and worked primarily in investment law sector, including Venture Capital, Private Equity, M&A and Securities matters.
- Drafted, vetted and reviewed a wide range of commercial contracts and transaction documents i.e. NDAs, SSHAs, SPAs, Term sheets, Due Diligence documents and other general corporate documents.
