About the MASCC

The SCC Mid-Atlantic Chapter was chartered in 1967. There are over 90 members in the chapter spread over a large geographical area which includes the states of Delaware, Maryland, Pennsylvania, Virginia, West Virginia, Washington DC, and Southern New Jersey. The Mid-Atlantic Chapter is not only dedicated to the education of its members but the education and further advancement of the area's students through career days at local universities.

February TechTalk - Highlights

February 24, 2022

12-1:00 PM EST

Rachel Robertson Johnson is the Founder and Chief Cosmetic Chemist of The Charismatic Chemist LLC. She has served the cosmetic industry for the last 7-8 years as a cosmetic chemist in the contract manufacturing sector. Throughout her career, she has formulated skincare, color cosmetics, and over-the-counter products for more than 500 growing beauty brands. Her ability to provide cutting-edge solutions for clean, organic, and natural formulations has awarded several beauty innovation awards. Her work and accomplishments thus far, have recently afforded her the honor of receiving the 2020 Valdosta State University Distinguished Alumni Award. She currently offers custom product formulation and consulting services to help growing beauty brands thrive.

*Laure-Anne
Gillon*

Laure-Anne Gillon is currently the Operational Marketing Manager for Beauty Care at Seppic Inc. and is based out of the headquarters in Fairfield, New Jersey. She is dedicated to helping the Sales team and customers by giving technical and scientific expertise on the beauty care ingredients and deploying marketing material and communication in North America. Prior to working at Seppic Inc., Laure-Anne worked in France for Unipex, a specialty ingredients distributor. There she handled and supported many cosmetic companies as Technical Account Manager, and then later as Technical Marketing Manager.

Laure-Anne graduated from the Ecole de Biologie Industrielle in France, a biotechnology engineering school (Master of Science), and specialized in Research and Development and Marketing applied to the Cosmetic industry. She also has experience working on the brand side regarding product development during internships at L'Oréal, Chanel, Givaudan, before coming to the ingredient industry.

NEXTGEN Advisory

[HTTPS://WWW.SCCONLINE.ORG/MEMBERSHIP/NEXTGEN](https://www.scconline.org/membership/nextgen)

It was launched in 2015 by the Society of Cosmetic Chemists to address the needs of early careerists, young professionals, and undergraduate/post-graduate students in the cosmetics and personal care industry. The initiative consists of special education, networking, and other events specifically designed to assist the “next generation” of formulators, innovators, and ground-breakers in the industry.
