

JOURNALING WITH JESUS
Love Triumphs!

SHARING PROCESS

Sharing the golden nuggets that God has revealed to us personally is powerful and profoundly impacts everyone. Hearing how God has uniquely and distinctly touched our hearts and minds increases our faith and renews our hope.

- ♥ Look over your journaling notes for the entire Journaling with Jesus Session.
- ♥ Collect your thoughts about what God has revealed to you during the Session.
- ♥ Add any additional notes or comments you want to add to your journal before we share as a group.
- ♥ Ask the Holy Spirit what He wants you to share. He will reveal what is important for you to share and what is important for others to hear. The words He asks you to share will contain life-giving truth and perspectives that will give hope and healing. They will also give you confidence in how He is moving in your life.
- ♥ As the Holy Spirit leads you, share only the information you are comfortable sharing.
- ♥ Our backstories are important to us, but sometimes, they are difficult for others to follow because they contain details about people and places, we are not familiar with. Refrain from long backstories and share what is relevant for today. Refrain from sharing too many details or stories that happened outside of today's Session.
- ♥ So that everyone has an opportunity to share, please be clear and concise. Depending upon the time remaining and the size of your group, please share your story within 2-3 minutes, no longer than 5 minutes.

An example is:

"God revealed _____ to me.

It's important to me because _____."

And they have conquered him (the Accuser) by the blood of the Lamb and by the word of their testimony, for they loved not their lives even unto death.

Revelation 12:11
