Directions: Please record information about each fish caught (including species and length) by making a hash mark in the appropriate box. Circle the hash mark of each fish you keep. Please fill in the blanks at the top of the sheet. This information is vital for interpreting your angling results. A separate sheet should be kept for each angler. When done fishing, take a picture of this sheet with your cell phone or scan it, and email to: Innsbrookfishingclub@gmail.com
Thank you for participating in our survey.
