Lizz and her family

Lizz has lived in Oldham County for 24 years. She and her husband, Thomas, have been married for 10 years and have called Park Lake home for six. They have three children - Jaxon (12), Milo (9), and Piper (5) - and a rescue Australian Shepherd, Hopper.

Lizz works in supply chain, focusing on the food and beverage industry. She enjoys cheering at her son's baseball and soccer games, reading, and spending time with her whole family.

Lizz is eager to bring unity to the neighborhood, help everyone have a voice, and work together to make the community even better.
