**About Me!** What do you like to do to relax? What do you like to do in your free time? What do you do to treat yourself?

In my free time I enjoy reading mystery books, spending time outside (hiking), and playing video, card, and/or board games (UNO is my favorite game). I also enjoy watching cooking/baking shows. I thoroughly enjoy to cook, although I am not great at it. I treat myself by buying myself a Starbucks drink or a favorite meal, watching a comfort show, and spending time with my cats. Occasionally, I splurge and get my nails done as an extra special treat.

**About Me!** What do you like to do to relax? What do you like to do in your free time? What do you do to treat yourself?

Well, my 5-year old daughter keeps me pretty busy most of the time, but I do enjoy working out at the Y, spending time in the yard, and traveling to new places. In particular, my husband and I have a life goal of visiting every U.S. national park. Of course, I also like to read; in fact, I'd venture a guess that I am one of Indianapolis Public Library's best patrons!
