

GRÁ CEREMONIES

Officiant, Ceremony & Speaking Services

Helping you put GRÁ in Everything!

At **Grá Ceremonies**, we believe the most meaningful ceremonies are personal, heartfelt, and simply yours.

Whether you're celebrating a marriage, renewing your vows, welcoming a child, or preparing to speak for an important moment, our services are designed to help you find the right words and create a ceremony that reflects **your story, your community, and your Grá.**

Our packages are simple, wholesome, and accessible — with options ranging from streamlined to bespoke.

CEREMONY SERVICES

Wedding & Commitment Ceremonies

Ceremonies at Grá are created to honor the bond between two people and celebrate the story that brought you together. Whether you're planning an intimate elopement, a small gathering, or a large celebration, we help create a ceremony that feels genuine, warm, and meaningful.

From simple and sweet to completely bespoke, each package is designed to give you the level of support that feels right for your day.

Baby Naming Ceremonies

A beautiful, secular alternative to a traditional or religious baptism.

A Baby Naming Ceremony gives families the opportunity to publicly welcome their child, celebrate their identity, and surround them with love and support.

Most importantly, it's a chance to publicly declare your **Grá — your love — for your child** and welcome them into your family and community.
