

Medical Waiver/Informed Consent to Compete with Breast Implants

I understand that by participating in Muay Thai with breast implants, I may be at risk of damaging or causing trauma to the implants and/or breast tissue.

I agree to hold harmless any and all ringside officials, including ringside doctors, representatives, employees, servants, and agents of WBC MuayThai USA with regard to any issues or injuries due to my breast implants.

Athletes competing with breast implants will not be covered under the many insurance programs for damage to the implants, replacement of same or injury occurring from such damage.

This waiver must be signed and attached to the boxer's passbook.
