No.611/2019
19th June 2019

Duties & Responsibilities of Global Representatives

Global WBC MuayThai representatives must strive to promote WBC MuayThai championship contests, as this is the core aim of WBC MuayThai global activities.

WBC MuayThai championships consist of Youth, State, National, European, Mediterranean, International and World levels (Diamond – Special Occasion).

The WBC MuayThai head office must always be notified of any, and all upcoming National, Mediterranean and European sanctioned championship title contests, before the event takes place – for purpose of keeping records.

All National representatives, or domestic chairperson's must be requested to approve sanctioning for National titles in their jurisdiction (excluding Australia, where head office administrates affairs).

There is no rule stating that WBC MuayThai reps or assigned WBC MuayThai fight supervisors are the only ones to present the championship title belt to the winner of a title contest – where possible: please offer this prestigious honor to a sponsor or benefactor of the event you are attending.

All WBC MuayThai fight supervisors for International and World titles are assigned by head office, only, by the WBC MuayThai President in consultation with the Secretary General.

The WBC MuayThai must be represented at all sanctioned contests by a fight supervisor, appointed by the WBC MuayThai President and Secretary General. With respect to the assigned bout, the WBC Supervisor shall have the authority to make any and all decisions and take all actions necessary to interpret and enforce WBC MuayThai Rules & Regulations. The fight supervisor must be present for the official weigh-in, and the fight supervisor must conduct the pre-fight rules meeting, once the official weigh-in is complete. It is not the job of the referee to conduct the rules meeting.

The WBC Supervisor shall be seated at a table, next to the ring, so that he/she may reasonably supervise and tally the scoring of the judges, after every round, and to be able to perform his/her other responsibilities.

WBC MuayThai global representatives have no authority to interfere when head office is dealing with global promoters, or promoters in any region, for matters of World and International championship title contests, only.

The fight supervisor for International and World title fights must be an experienced WBC MuayThai official – allowance for non-highly experienced supervisors is granted for State and National titles.

Appointment as a WBC MuayThai fight supervisor for International and World titles is an honor – not a right – part of the fight supervisors' duties is to send head office a decent quality photo of the weigh-in, prior to the fight for publicity purposes, with both protagonists posing with the championship belt, and a decent quality photo of the champion posing with his/her prized belt, post-fight.

All assigned WBC MuayThai fight supervisors (World & International Only) must send in all weigh-in reports, scorecards, fight reports, medical reports and any relevant documentation to the WBC MuayThai head office, no later than five calendar days after the title fight has taken place, failure to so will affect chances of being appointed as a WBC MuayThai fight supervisor, at a later date.

WBC MuayThai assigned referee's and judges for World and International title contests are not to be seen at the official weigh-ins, taking pictures with fighters and belts, they may attend the weigh-in and rules meeting, as observers.

For World and International level contests, the WBC MuayThai head office has sole authority on the assignment of the official WBC MuayThai fight supervisor, the WBC MuayThai allows, where possible, the events promoter to use a local team of experienced ring officials of his/her choosing, after consultation with the WBC MuayThai head office.

No WBC MuayThai representative shall in any manner hint, directly or indirectly to a promoter to be appointed as a ring official for any WBC MuayThai title fight.

No ring official shall in any manner publicly criticize the performance of any other assigned WBC MuayThai ring official.

All MuayThai promoters are welcome to host and stage WBCMuyThai title fights – global WBC representatives must be willing to authorize fights on behalf of the WBC MuayThai and cooperate with promoters in their respective regions.
