## PRESS KIT

***First & Foremost, thank you for contributing your experiences and expertise as a podcast guest on Project Truth***

**Project Truth is where we question and challenge conspiracy theories and expose cover-ups that impact society. We strive to promote transparency, encourage critical thinking, and empower individuals to seek the truth behind the narratives that shape our world while being conscientious that there are some things that the collective is not ready to know. Join us in our quest for accountability and understanding.**

***You were intentionally chosen based on your knowledge, expertise, and experiences.***

With your innovative mindset and groundbreaking approach in your field, makes each interview uniquely insightful. The goal of each episode is for the audience to be more informed about the topic and –if applicable- to take away practical strategies to begin implementing aspects of the episodes topic. (However, refrain from giving medical or legal advice if not a board licensed or certified practitioner).

# PREPARE FOR RECORDING

If you have not officially booked a show with us yet please go to the [TidyCal® Scheduler App](#). Please carefully read the information on the site prior to selecting your date ([see page 4 of this packet](#)). When booking a show, you are also agreeing to the terms in the guest release on page 9 which you will receive after scheduling and review.

**Please provide us with interview material which would include:**

- Short form bio
- Three questions
- Social Media links

Your unique login URL will be delivered via email and Google® Calendar prior to the recording date.

We use [Wave.video®](#) live studio to record for its ease of use for those all over the world. You will have to utilize the Google® Chrome browser to launch the platform. For success, a strong connection is a MUST! Make sure you stay in an area with strong signal. If you're on mobile utilize the web browser and not the browser app. **Please utilize an external headphone and microphone to reduce background noise.** ([See page 5 & 6](#) and [page 8](#) for devices).

# BEFORE, DURING & AFTER RECORDING

Your recording session typically lasts between 60-90 minutes. After recording we will publish a full interview broadcast on [Patreon](#)® with separate segmented clips on the [Rumble](#)® Channel and [Patreon](#)®. Your interview is also subject to review and may or may not be broadcasted. **Please make use of independent earbuds or headphones & microphone** to mitigate any echoes and background noise beforehand. See [page 7](#) for using a smartphone or tablet. You can schedule or book anytime, but recording and broadcasting of your interview will not proceed until you have signed the guest release on [page 11](#). We will send you a link for signing after scheduling and review. See [page 8](#) on how to complete form.
