As this year comes to a close, we are determined to continue in our efforts to bring positive reaffirmations on Beef & the Beef Industry to our community

Annual Fall Gather Dinner: AES CattleWomen onceagain joined forces to assist the AES Cattlemen and combined both of our efforts to create thr “Fall Gather Dinner”, with an evening of comradery, honoring outstanding members, live and silent auctions as well as just having a great time.

5th Annual Drive Through Dinner: Every November we hold our annual drive through dinner the Friday before Thanksgiving providing and promoting all things Beef. We once again sold out and delivered, as you see in the photos in either Rain or Shine!

AES Cattleman's Jackpot: the 1st weekend every March the Cattlemen run the longest running Jackpot in the state of California, in Plymouth at the Amador County Fairgrounds. We as the CattleWomen contribute by sponsoring awards for all of the entrants in the AES Class as well as Showmanship. Some of our current members got their start showing in this show at its inception.

Our AES CattleWomen along with the crew from Buckhorn Grill.

Ag Day at the Capitol: We once again had a great time helping the California CattleWomen & California Cattle Council, along with Buckhorn Grill to serve 360# of tri-tip to politicians & delegates at the Annual Ag Day at the Capitol.

CA Cattle Council Ex. Director – Justin Oldfield along with our AES Beef Ambassador – Brooklyn Whalen

Amador County Fair: This year we once again maintained and had our educational Shed open during the fair fill with Beef educational pamphlets. During fair it was open to the public for anyone to step in and check out and take any materials available. We also had a Feature Exhibit booth in their main exhibit building which has heavy foot traffic. We are fortunate enough to be set up at both ends of the fairgrounds with double the exposure and ability to promote BEEF.

County Farm Days: This year we had two great Farm Day experiences at Amador & ElDorado Counties, with the help of our Beef Ambassadors. We featured a few options in Beef education focusing on Beef Byproducts, There's A Cow in My Marshmallow and Brands & Herd ID.
