## **PRESIDENT'S MESSAGE**

Dear AES Cattlewomen,

The history of past AES Presidents and Cattlewomen of the Year is a collection of talented, selfless, organized and well-respected women. I'm honored to be your President and humbled to be your Cattlewomen of the Year.

I'm thankful for every contribution for the betterment of this amazing organization that the members have made over the past seven months. You are an impressive group of women that I look forward to learning from and hearing your ideas that interest you for future activities.

Thanks,  
Katherine
