We had a fabulous Fall meeting in October of 2021. We had an amazing speaker and advocate, Markie Hageman from Girls Eat Beef Too joined us and she shared the story of her journey. As the holidays came, we had our second annual drive through dinner, earning enough funds to award \$6,000.00 in scholarships. We also participated in Crusin' the Lights, where we decorate our Cattlewomen Shed with Christmas lights for the event. This year we added the Incahoots Ranch Rodeo event to our events to attend for Beef Promotion. We had pamphlets and ladies out for the day. We also sponsored the Top Cowgirl Buckle for the All-Around Awards.

We had quite a few state events happen in our counties this year. First was the Ag Day at the Capitol where we helped at the State booth. Three days later we helped again at the FFA State Conference. Just recently we also worked at the Farm to Fork Event at the Capitol Mall.

We participated in two Farm Days this year. The first one in El Dorado County to 908 Children and the second one in Amador County to 350 Children.

For our 2022 Fall Luncheon we had former AES member and author Julie (Neilsen) Tully come and speak to our ladies. She reading an excerpt from her book, "Dispatches from the Cowgirl".

She shared her experience being a "real cowgirl" from a ranch in California having to attend formal dinners as a naval diplomat's wife in Africa, always staying true to herself and her roots, she was appreciated for her genuine character, than for her small talk. It was truly enjoyable.
