Jr. BEEF AMBASSADOR

My name is Saveah Cramer and I am 14 years old and live in Plymouth, California. I've been a member of the Shenandoah Valley 4-H Club for the last 8 years and have enjoyed being an officer for the last two. I have shown in the Heifer Replacement Program for 3 years at the Amador County Fair. I will be attending Amador High School in August of 2024 and will join the FFA

Club, continue showing heifers, and participate in Agricultural Leadership programs. From there, I plan to go to college and become a veterinarian. I enjoy doing community service, serving at events and fundraisers, and public speaking. I'm excited to be a part of the AES Beef Ambassador Team and look forward to helping spread the word about the importance of the beef industry.
