"No two ways about it - CattleCon is the best event of the year for anyone in the business of raising cattle. The educational sessions of Cattlemen's College are an excellent way to sharpen knowledge, with sessions for just about any sector." - CattleCon23 Attendee

This is Jill Curran's sister, Annie Reynolds. She was recently inducted into the National Cowgirl Museum-Hall of Fame in Ft. Worth, TX. Annie raises quarter horses, trains and rides in reined cow-horse competitions. Congratulations!!

While at Convention, a Calaveras/ Tuolumne unit member (Doni Rosasco) won this basket created/donated by AESCW. Way fun & pretty!

Please accept our thanks to all of the AES members who ordered dinners for themselves, families, friends and employees. Our drive thru had a change in menu that was well received by all who shared feedback. We would like to extend a special thank you to all who delivered desserts and especially to the ladies who gave of their time to work the event. We were successful because of the teamwork and support we have for one another. It's a pleasure to be a member of the AES Cattlewomen.
