WANTED!!

BEEF AMBASSADOR CHAIR

Morgan Lyman, the current AESCW Beef Ambassador Chair, has resigned. She relocated to Montana's Billings.

We wish her all the best in her new endeavor!

- Our county Beef Ambassador chairman will be in touch with the state Beef Ambassador chair for all entry forms, current rules and state contest information.
- She will write a local form, make copies of entry forms, and make sure that they, together with the rules, are distributed to area Ag. Depts, 4H leaders, and any other associated group so that anyone ages 12 and up can compete in the Jr. or Sr. divisions.
- She'll be in charge of getting Beef facts and brochures to the contestants so they'll be ready for the local competition.
- She'll set a date and location for the local competition, and she'll enlist the help of Cattlewomen as judges.
- The state forms, crucial material to study for the state contest, and all information linked to the state contest will be given to the final winners.
- The Beef Ambassador chair will be in touch with our AES President, Rielle Santinelli-Waters.

WFA AWARDS: AMADOR COUNTY FAIR DIVISION 28 – INTERIM EVENTS

The Fairgrounds host an annual event called Farm Days, put on by the local UC Extension-4H, FFA, Grange and Cattlewomen's Association. This event is set up in stations around the fairgrounds on how food is grown, animals, what products come from those animals, what equipment is used that we use in everyday life. This is done for all 3rd graders in Amador County.

This year due to Covid, the event was not able to be held.

The Cattlewomen got together with the UC Cooperative Extension and created an 8 min and 37 second video of the typing Farm Day presentation titled "Cattle & the Products they product". The called a local 4-H member and his show heifer, the Youth Beef Ambassador and the Cattlewomen to start filming. This took a bit over 3 hours and was then edited down to the one you can see on YouTube. This video has been viewed 75 times by our local schools with an average of 2625 students seeing it.

With it being shared on social media, the audience is huge and will benefit many young people in learning about their food and how it is raised and used. This was the new-virtual Farm Day for 2021 done by the AES Cattlewomen!
