[El Dorado's Hodd Nett Hill Farm](#)

GROW WITH US

Hodnetts have been growing, eating and sharing organic vegetables and fruits in El Dorado County for four generations. We have a passion for growing and we're excited to share it with you!

Hodnett Hill Farm is the special project of the youngest generation (ages 2-14), who had the idea, chose the plants and varieties, planted and cared for the seeds, and run the business with a little help from mom and dad. We hope you'll grow with us as our Hodnetts, and our harvest, grow this year.
