For this year's show and sale, I have raised an Angus-Hereford cross heifer named Jolene. This winter, Jolene was bred to our registered, calving ease Angus bull, Bruin 726D Stellar 1514. Jolene is a gentle heifer that was born on my family's cattle ranch under my family's breeding program and raised in our pastures. I wanted to take the time to invite you to participate in the 2024 Amador County Replacement Heifer Auction. I will show my heifer on Friday, July 26th @ 2:00 pm in the Beef Pavilion. The auction will take place immediately following the show.
