Hello Ladies,

I just attended the Annual California CattleWomen State Board of Directors Meeting today via Google Meets. Here are some notes from the state that stood out:

- At the state level they are revising the By-Laws as well as Policy & Procedure. Once the new documents are issued to us, we will have to revise ours to coincide with the State requirements.
- There were #854 books of Powder River Panel Tickets sold, totaling \$17,660.00. The winner was Erika Ahmann Smithies from Napa/Solano. We as a unit sold a record amount of #89 Books for a total of \$1,780.00. Half of which will come back to our unit and go directly to our Scholarship Account. I specifically want to thank Stephanie Lewis for selling the most books this year!!
- The Beef Ambassador Contest will be held virtually.
- California Ranch Raised Kids Books are ready and will be rolling out soon. It features 70 kids from 27 ranches in 19 counties in California.
- Red Bluff Bull & Gelding Sale has been approved, as well as the trade show. In order to attend you must go online and register as a buyer or cosigner.
- There was a presentation from the ANCW President, Evelyn Green. She discussed her platform and her promotion for #beef4generations. She also mentioned that when you make purchases on Amazon Smile to choose "ANCW" to help benefit Beef Promotion.
- Year End Awards: For Membership of 51-100 members AES 1ST
Walt Rodman Award AES Honorable Mention
- Spring Meeting at Harris Ranch is still TBD, planning for it but it may not happen.
- CCA/CCW Mid-Year Meeting @ Paso Robles, CA June 16-17, 2021

AES Unit Updates:

- The Drive Through Dinner was a great success!! I have attached the Drive Through Recap for you all to see. We made \$4,915.55, that will go straight into the Scholarship Account. That along with our portion of the Powder River Ticket Sales has brought in almost a years' worth of Scholarship disbursements!!

I hope you all have a Happy and Healthy Holiday Season!!

MESSAGE FROM OUR IMMEDIATE PAST-PRESIDENT, JILL CURRAN

Good December Day to all AESCW members,

As my time has come to a close as AESCW President and I pass the gavel and flag on to Rielle Santinelli, I want to wish each and everyone of you the Merriest of Christmas Season!

I have enjoyed my position for the last 3 years. The membership had grown at a rapid pace in 2019 and backed off a little in 2020 due to the lack of ability to gather- WHAT WE DO BEST.

While we were not encouraged to gather due to the "VID", it has been extremely difficult to keep the momentum going that we were building on last year. We were gaining so many new members and had a focus of getting the younger girls involved in each and every aspect of our unit. It is my wish that the momentum builds again under Rielle's leadership and membership stays strong. The bigger the membership, the stronger the unit. It helps in generating new ideas, supports the core of labor that makes each event successful, continues our mission of education and promotion of the beef industry to the community, and last but not least, it is exciting to participate in strength in numbers over our large 3 county territory.

In closing, I want to thank every one of the officers and chairwomen for their support and assistance in making things run smoothly.

I appreciate the opportunity to lead our unit, to build the strong bond that we enjoy with the AES Cattlemen, and hope that the coming NEW YEAR 2021 is the best ever.

Rielle, good luck and take it away

Happy trails to all,

Jill Curran

AESCW, Past President

Hope this finds all of you and your families healthy. These have been stressful times for all of us and regrettably we have not been able to have any social gathering. We are looking ahead to the Winter or Spring Quarters of 2021 to schedule our annual fundraising dinner. In the meantime, I want to congratulate you on the recent Drive Thru dinner- you guys did a great job on the meal. Not sure if you were able to participate in the recent CCA virtual convention but it certainly was a sign of the times. It was well done but certainly miss the annual gathering to see friends and neighbors. Looking forward for the calendar to roll over to 2021- Happy Holiday's

Thanks
