**FOLLOW ALONG A PODCAST PRESENTED BY CALIFORNIA CATTLE COUNCIL....
"STORIES FROM CALIFORNIA CATTLE COUNTRY"**

In this episode we speak with rancher Tim Neilsen about El Dorado ranch and his commitment to ranching almost 8000 acres of the Sierra foothills in collaboration with the American River Conservancy in an effort to preserve area biodiversity of Sierra Nevada oak woodland... with cows. This is a follow up to our last episode where we spoke with Elena Delacy from the aforementioned American River Conservancy where Tim's ranching operation is mentioned, in fact, celebrated.
