President's Message:

Dear AES Cattlewomen,

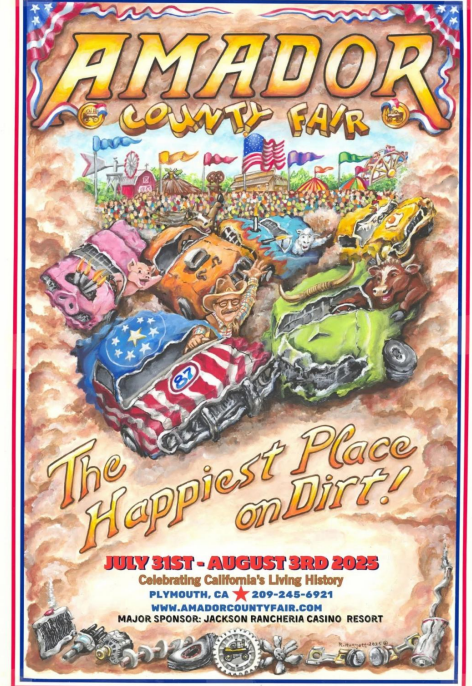

As I sit down to pen this message, I'm smiling, reflecting on a resoundingly successful 2025 Amador County Fair. Everywhere I turned during the weeks before the fair and every day of the Fair, I saw AES Cattlewomen. Congratulations to the Feature Booth and Country Garden committees for creatively embracing the "The Happiest Place on Dirt" theme and winning first place. This month's newsletter highlights the talent, creativity, and dedication of our members and their accomplishments. Our unit has much to be proud of this year.

Thank you, Pam Howard, for planning and executing this showcase newsletter.

If we missed getting photos or information in this newsletter, please forward them to Pam for inclusion in next month's newsletter and possibly the Round Up Report.

Warmly,
Katherine
